

NADRA Office Locations

Registration & Service Centers Across Pakistan

97 locations compiled across **20 cities**, sourced from Google Maps (Google Places data) — including NADRA Mega Centers, Executive Centers, Regional Head Offices, and standard Registration Centers.

Important notes on this dataset: This list was compiled by querying Google Maps for NADRA-related government offices and is not an official NADRA publication. NADRA does not publish a downloadable master list of its 560+ registration centers; its official locator is an interactive map/app only. Coverage here is concentrated in major cities and is not exhaustive — many smaller towns and rural centers are not included. Office timings, contact numbers, and addresses may have changed since this data was gathered and should be independently verified, especially for any production use. Passport-only offices and e-Sahulat fee-collection franchises (which are separate from NADRA's own registration network) have been excluded. Where Google Maps had no listed phone number for a specific branch, NADRA's national helpline (051-111-786-100) is shown instead, since this is the number NADRA directs citizens to use regardless of which branch they are contacting.
